The Estonian Academy of Music and Theatre invites artistic research performers at doctoral and post-doctoral levels to take part in “Doctors in Performance”. The fourth festival conference of music performance and artistic research will take place on September 1–3, 2021 in Tallinn, Estonia. The conference will be held in the brand new, state-of-the-art performance complex at the Estonian Academy of Music and Theatre, which was opened in 2019 to mark the Academy’s centenary. Potential participants are invited to submit a proposal for a presentation concerning relevant fields of artistic research. The conference language is English. The text of the Abstract should not exceed 500 words. Please note that all successful applicants must register for the conference. Registration opens on May 16th, 2021, after the selection process.

There will be an additional 10 minutes for questions and comments. The music performed is expected to include or closely relate to the contents of the participant's doctoral degree or current research. Application forms for a recital which do not include a cloud link or URL link will not be accepted. The video must be no more than 6 months old.

A LECTURE-RECITAL will last 40 minutes, plus an additional 10 minutes for questions and comments.
