

COVID-19

Stay healthy!

Avoiding the spread of COVID-19 when using the libraries

Keep a safe distance

- Keep at least 2 m distance with guests and library workers (2+2 rule).
- Visit the library alone.
- Think ahead what you wish to borrow so that the visit would be fast.

Pay attention to hygiene

- Wash or disinfect your hands when entering and leaving the library.

Stay home when sick

- Do not visit the library in case you are not feeling well or you have any symptoms.

If possible, wear a mask

- If possible wear a mask or cover your mouth and nose (e.g. with a scarf).
