

## **EAMT doctoral dissertation project for the creative branch and the doctoral thesis**

The project must be written as a discussion paper and contain the following components:

- topic and research problem;
- aim of the work;
- relation to the creative work (only for the creative branch);
- discussion of the theoretical context and research methods;
- review of sources and literature.

The volume of the proposal must be between **5000 and 6000 characters** for the creative branch and between **10000 and 12000 characters** for the scientific branch.
